

CartReg **Description**

A pre-set and tamper proof pneumatic regulator for blow guns. Compact, inline and non-adjustable.

CartReg can easily be threaded into any 1/4" blow gun and is an economical and discreet means to maintaining the ideal pressure requirements and reducing overall noise (DBA) exposure.

CartReg **Benefits**

-  Safety: protects personnel, machinery & plant by avoiding pressure surges
-  Ensures optimal air tool efficiency by supplying a constant pre-set pressure
-  Prevents compressed air waste & limits excessive compressed air consumption. Reduces energy consumption.
-  Locked to prevent pressure change and easily concealed. Tamper proof.
